

Sustainable Palm Oil Procurement Guidelines

The Nisshin Seifun Group (the “Group”) supports the NDPE Policy (*No Deforestation, No Peat, No Exploitation*) and, in accordance with the Nisshin Seifun Group Responsible Procurement Policy, works together with its suppliers and business partners to promote the procurement of sustainable palm oil.

1 Scope

These guidelines apply to palm oil and palm kernel oil contained in oils and fats used as raw materials in food manufacturing.

2 Action Guidelines

- (1) The Group respects the principles and criteria established by RSPO** (*RSPO Principles and Criteria for Sustainable Cultivation of Oil Palms and the Production of Sustainable Palm Oil and Oil Palm Products*) and will procure palm oil and palm kernel oil recognized as sustainable.
- (2) To ensure procurement aligned with these guidelines, the Group will establish numerical targets and action plans and will appropriately disclose its initiatives.
- (3) These guidelines will be reviewed on a regular basis, taking into account changes in social and environmental conditions.

Effective Date:

March 16, 2026

Note

※ RSPO (Roundtable on Sustainable Palm Oil):

A non-profit organization that promotes the production and use of sustainable palm oil.
